Subject : Procurement Request for Industrial Plug for UPS PABX

☒ Urgent ☐ Please Approve ☐ Please Action ☐ FYI ☐ File

Yours truly,

Through this letter, we respectfully request the procurement of **Power Plug for UPS PABX**. The power plug used is different from a regular UPS, it requires an industrial power plug, and we have coordinated with Mr. Crismawan CE regarding the requirements for this UPS. The detailed specifications are as follows:

 MCB Schneider 25A

- Unit Price : Rp 101.900
- Quantity : 1 Unit
- Total Estimated Cost : Rp 101.900

 INDUSTRIAL PLUGS & SOCKETS 32A 3POLE IP 67

- Unit Price : Rp 283.850
- Quantity : 1 Unit
- Total Estimated Cost : Rp 283.850

 Konektor Power Socket IEC C20 Male / C19 Female 16A 250V

- Unit Price : Rp 74.867
- Quantity : 3 Unit
- Total Estimated Cost : Rp 224.601

Grand Total Estimated Cost : Rp 101.900 + Rp 283.850 + Rp 224.601 + Rp 100.100 (shipping cost) = Rp 710.351

The request for procurement of this device is intended to support PABX when the power is switched from PLN to Genset, because when the power goes out all PABX data will be reset to the initial settings because the data storage battery is no longer functioning. We appreciate your attention and continued support in this matter.
